### Year 6 Transition Schedule

Dear Parent/Carer

Congratulations on gaining one of the 150 places for our cohort starting in September.

Thank you for trusting your child's secondary education with us. Whilst I know choosing a secondary school is often a difficult decision to make I am confident that they will continue to build on their many successes here at the Academy.

I know that with your support your child will be happy and successful at the Academy. I am proud to have them as a future student.

During the last few years, we have developed our transition plan for year 6 students to ensure that they have a smooth transition from primary school and to also maximise the opportunities we can offer our year 7 starters over the summer break and from September.

We would like to share with you our transition timetable of events.
