November 2017

Dear Parent/Carer,

Careers Event 2017

In order to help students to plan for life beyond school Accrington and Hyndburn Academies are holding a special careers event on Monday 4 December. We are inviting students from all years and their parents to come along to the event to help them to make their decisions for the future.

The event will run from 6pm to 8pm at Accrington Academy's Queens Road West site and will feature over 30 speakers from a wide range of businesses and organisations, giving those attending an insight into the potential jobs and paths available, both in higher education and in industry.

Professions represented include plumbing, army engineering, police, BBC Creative, hydrotherapy, nursing, marketing, financial management, plumbing – there's even a children's author!

Students will be able to choose those talks relevant to them and there will also be stands from a range of educational organisations, including Lancaster University and the University of Central Lancashire (UCLAN.)

In addition, there will be a talk about student finance and how all students can afford University, including a session on how to budget while at university.

Please return the reply slip below if you would like to attend.

Yours sincerely

Miss E Starkey
Head of School

✂-----

To be returned to Form Tutor – The Hyndburn Academy

I/we will be attending the Futures Evening at Accrington Academy on Monday 4 December 2017.
