Behaviour Policy

1. Expectations

This policy sets out how the school will promote good behaviour, self-discipline and respect, prevent bullying, ensure that students complete assigned work, and regulate the conduct of students. In applying this policy, the school will take into account its duties under the Equality Act 2010 regarding relevant characteristics protected by that act, notably disability. It will also take into account the needs of students with special educational needs. The school will also have regard to its safeguarding policy where appropriate.

At The Hyndburn Academy, learning is at the centre of everything we do. We believe that, in order to equip our students with the skill and experience required to fulfil their ambitions in the real world, we must ensure that we provide a learning environment at school where every person in the school community feels safe, secure and free to focus on their own learning. Characteristics that we aim to develop in all are ambition, creativity, confidence, respect enthusiasm and determination. We believe that every single student has the ability to be exceptional but to achieve this every student needs a safe, structured working environment where expectations are clear, and every individual is held accountable for their actions. To ensure this is possible we have implemented a framework that sets clear expectations, promoting a culture where everyone is encouraged to take responsibility for their actions and feels safe, valued and respected.

Our policy aims to:

- Promote positive behaviour
- Promote self-esteem, self-discipline and positive relationships
- Provide a safe environment where learning is disruption-free
- Ensure a consistent approach to tackling negative behaviour
- Make reasonable adjustment for those students with special educational needs and/or disabilities. This will include those students with a medical diagnosis or Education Health Care Plan (EHCP) in place as well as students with identified additional needs who may require more SEND/pastoral support

2. Policy Implementation

All staff to implement the academy policy consistently and fairly throughout the school by setting the standards required to promote positive behaviour.¹

The senior leadership team of the academy to ensure all staff adhere to the behaviour policy and implement effective systems for keeping records of all reported incidents, reporting to governors and parents when required. The DfE Behaviour Guidance stresses that senior leaders should be highly visible and engage with all stake holders in setting and maintaining a behaviour culture²

¹ Further detail is contained at paragraphs 28-29 in the DfE Behaviour Guidance

² Further detail is contained at paragraphs 23-27 in the DfE Behaviour Guidance

Students are responsible for:

Attendance and Punctuality

Students should:

- Arrive on time to the Academy each day
- Arrive at their lessons on time
- Aim for 100% attendance and punctuality

Behaviour and Conduct

Representing the Academy

Students should:

- Ensure that all electronic devices such as mobile phones and tablets are out of sight and switched off. These should always remain in their school bag
- Refrain from bringing items of high value into the Academy (the Academy does not accept responsibility for loss, damaged or stolen items.)
- Ensure that standards of uniform and appearance are excellent (see The HYA Way for all uniform expectations):
- Wear appropriate outdoor shoes. Shoes must be sensible and entirely plain black, (not dark brown), and laces must be fastened and be plain black. Heels should be low. Trainers or pumps are not acceptable. Students wearing the wrong footwear will be instructed to change into academy footwear
- Should not wear excessive jewellery – A plain watch and 1 pair of stud earrings are acceptable.

- Follow reasonable instructions first time or as quickly as possible
- Never engage in any behaviour which could be detrimental to any other individual's health or well-being (i.e. bullying)

1 Moving safely around the school site

Students should:

- Walk quietly on the left, with pace and purpose ensuring they are not blocking the way of any other members of the Academy community.
- Ensure they are in full uniform whilst moving around the site, arriving and departing from the Academy.
- A piece of music will sound after the bell. Students should be at their classroom when the music finishes. Any student arriving after the music has finished, without a valid reason, will be marked late and a consequence will be issued.
- Ensure equipment for learning is in hand and ready for learning when moving to lessons
- Be courteous to staff, other students, visitors, and all members of the public
- Refrain from being drawn into large crowds where an incident may have occurred/be occurring, but instead ensure a member of staff is alerted immediately
- Be quiet and receptive when lining up as a year group and being addressed by member of staff
- Never behave in a manner or indulge in any behaviour which could seriously be detrimental to their own or others' health/wellbeing

2 Behaviour for Learning

Students should:

- Line up quietly outside a classroom
- Enter the classroom in a calm, orderly manner, sitting in the seating plan devised by the teacher and immediately commencing the Do It Now activity
- Listen to the best of their ability when a staff member is addressing the class and respond to Academy common language
- Refrain from shouting or calling out
- Be equipped: appropriate bag, PE kit, pens, and pencils (please refer to the HYA way for a full equipment list)
- Respond to the Academy common language in a respectful manner
- Refrain from consuming any food or drink (apart from water) during lesson, this includes soft drinks, sweets and chewing gum
- Ensure that toilet visits are taken during social times unless the student has a medical condition, in which case a medical pass will be issued by the appropriate Head of Year (**reasonable adjustment**).
- Not should that they need to use the toilet to minimise disruption to learning
- Take the necessary care and time to ensure that preparation and practice for learning (home learning) and classwork in books is presented appropriately – titles underlined, feedback in purple pens, dates and handwriting clearly legible
- Work to the very best of their ability in each lesson showing focus and diligence
- Ensure that all preparation and practice (home learning) tasks are attempted and completed to the best of their ability
- Seek a teacher or other adult's help if any aspects of preparation and practice (home learning) or classwork present serious difficult

Travelling to and from the Academy

Students are expected to demonstrate an appropriate standard of conduct on their journey to and from the Academy and in any situation where they are ambassadors for the Academy.

Students are expected to:

- Arrive at and leave the Academy in full uniform
- Always demonstrate politeness and courtesy
- Use public transport, cycle lanes/pedestrian zones sensibly and safely
- Dispose of litter appropriately
- Respect members of the public / wider community and ensure that public areas and property are treated respectfully.

All students sign a partnership agreement on admission to the Academy, see appendix B.

Parents are responsible for:

The role of parents is crucial in helping schools develop and maintain good behaviour. To support the school, parents are encouraged to get to know the school's behaviour policy and where possible, take part in the life of the school and its culture.³

The Hyndburn Academy places value in a close relationship with parents and encourages parents to work in partnership with the school to assist in maintaining high standards of behaviour both inside and outside of school. In particular, the school expects parents to support the school's values in matters such as attendance and punctuality, behaviour and conduct, uniform/dress and appearance, standards of academic work, extra-curricular activities, and homework/private study.

In the event of any behaviour management issue, schools should liaise closely with parents where practical and, if relevant, other local or national support agencies.

Parents and carers are expected to communicate any concerns or dissatisfaction directly with the school in the first instance. Using social media to raise complaints, criticise staff, or discuss school matters publicly is not appropriate and can be harmful to our school community. We encourage all parents and carers to follow our established procedures for resolving concerns so that issues can be addressed promptly, respectfully, and constructively.

All parents and carers sign a partnership agreement on admission to the Academy, seen appendix B.

Behaviour expectations

There are some behaviours which fall outside the Academy's expectations and would be dealt with by senior/pastoral members of staff at the Academy. In such circumstances, an investigation will take place and all relevant parties will be informed at the earliest convenience. Subsequent consequences will be decided upon by the relevant senior member of staff or the Headteacher. An indicative but non-exhaustive list of such actions which could lead to such an investigation would be:

- Being verbally abusive to a member of staff
- Bringing illegal substances or items into the Academy
- Bringing a weapon or tool which could be used to injure another person in the Academy (including BB guns, etc.)
- The use of racist, sexist, homophobic or transphobic language
- Persistent levels of defiance or aggressive behaviour
- Persistent bullying
- A physical assault on another student or member of staff
- Behaviour which may bring the reputation of the Academy into disrepute
- Sexual relationships of any kind
- Intentionally setting off the Academy's fire alarm
- Gambling or any behaviour designed to extort possessions or funds from others
- Knowingly bringing a trespasser onto the Academy site
- A significant breach of health and safety
- Any behaviour which discriminates against the nine characteristics protected under the Equalities Act.

Once the investigation is complete, the senior member of staff investigating the incident will liaise with the Headteacher and decide on an appropriate and proportionate consequence/s which could include:

- Academy Payback
- Referral to the Academy Reset Room
- Liaison with outside professional agencies to gain further support
- Meeting with members of the Local Governing Body
- Fixed-term suspension
- Permanent exclusion

All incidents of this nature will lead to a parent/carer reintegration meeting with a relevant member of staff, where additional support and intervention strategies can be discussed and agreed upon. The SENCO will be involved for all children with an EHCP and one of the SENCO team for all children on SEN Support.

Students will also be commended for acts of positive behaviour that are to be celebrated and recognised at the Academy. These behaviours can range from simple acts of kindness to hard work being demonstrated in and out of lessons over a period of time.

Students are also encouraged to demonstrate positive behaviours beyond the Academy and support the local community through their actions and attitudes. Student rewards at the Academy are extensive and include learner engagement points, recognition points, achievement cards, postcards of excellence, end of term celebration assemblies and end of term / year reward trips and celebration evenings.

The Academy rules and policies concerning behaviour and discipline apply at all times when a student is at the school, representing the school, travelling to and from the school, and associated with the school at any time. This includes conduct online, such as in any written or electronic communication concerning the school and United Learning.

Bullying

Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. It may involve an imbalance of power between the perpetrator and the victim. Bullying will not be tolerated at the academy. Students who feel they are being bullied either in or outside the Academy can report it to any member of staff, or use the Sharp System, which can be found on the Academy website. This also applies to parents/carers who are encouraged to report any incidents of bullying to the Academy where a thorough investigation will take place. Any student seen to be the perpetrator of bullying (as defined by the definition above) will receive a consequence according to the behaviour and anti-bullying policy at the Academy.

Social Media

This applies to all forms of social media and the use of social media for both academy purposes and personal use that may affect the Academy, students or staff in any way. All staff are aware of the dangers of social media and students; parents/carers can report any concerns they have to any member of staff who will pass it onto a Head of Year or senior member of staff at the Academy.

Instances of prohibited use are listed below (this is not an exhaustive list) and will lead to appropriate student consequences:

- Damage to the Academy or its reputation even indirectly
- Use that may harass, bully or unlawfully discriminate against staff, other students or third parties
- False or misleading statements
- Use that impersonates staff, other students or third parties
- Expressing opinions on the Academy behalf
- Using academy logos or trademarks.

In line with government guidance relating to the Prevent Duty, children must be kept safe from terrorist and extremist material and suitable filtering within the Academy is in place. The Academy has a responsible use of social media policy and any breach of that policy on the use of social media will result in disciplinary consequences.

Mobile Phones and Smart Watches

Students are not allowed to use mobile phones anywhere on the Academy site, including outside at break, lunch or after academy.

Mobile phones should be 'switched off and away' at all times, any phone seen or heard will be confiscated (this includes phones on display in shirt or blazer pockets).

In the first instance, phones that are confiscated will be placed in the secure lockers at student reception to be collected at the end of the day. However, should there be a second occurrence, a call will be made home with the requirement for a parent/carer to collect the phone on their child's behalf and will be required to meet with their Head of Year. Students who persistently refuse to follow this routine will be referred to a member of the Senior Leadership Team and a parent/carer will be required to attend a meeting to sign a behaviour contract and the student will be required to place their phone in a phone pouch.

Continual breach of our mobile phone policy could lead to the student being placed in RESET or a fixed term suspension.

The Hyndburn Academy does not accept any responsibility for mobile phones or electronic devices brought into the Academy and any student who brings such a device in, does so at their own risk. If devices go missing, The Hyndburn Academy staff cannot be expected to take time to search for them.

Devices must not be taken into examinations; this includes smart watches.

Refusal to hand over a phone or other device will result in the student being referred to RESET. If parents/carers need to contact students in an emergency, they should telephone the Academy in the usual way. Students must communicate with parents and carers via school and not through use of their own personal mobile.

Child on child sexual violence and sexual harassment

In every aspect of the Academy's culture, sexual violence and sexual harassment are never acceptable, it will not be tolerated and students whose behaviour falls below expectations will be sanctioned. Staff know the importance of challenging all inappropriate language and behaviour between students.

Suspected Criminal Behaviour

The Academy will consider the need to report to police and preserve evidence; whether a tandem report to children's social care is required, DSL to take lead following KCSIE; and with specific regard to Part 5 of KCSIE re child-on-child sexual violence. See paragraphs 125-127 of the DfE Behaviour Guidance for more information.

Contextual Safeguarding

The Hyndburn Academy staff will always consider the context and motive of a student's misbehaviour and whether it raises any concerns for the welfare of the student. If staff reasonably suspect that a student may be suffering, or is likely to suffer significant harm, whether inside or outside of school, they will follow the procedures set out in the Safeguarding / Child Protection Policy and discuss their concerns with the school's Designated Safeguarding Lead, without delay.

The Hyndburn Academy staff will also consider whether any disruptive behaviour might be the result of unmet educational needs, or any other needs, and will discuss concerns with the student's parents accordingly and include any local or school specific arrangements.

Responding to behaviour

At the heart of any successful behavioral policy there has to be a system that recognises, reinforces and rewards positive behaviour and achievement. At The Hyndburn Academy we have a very clear rewards system run through our Arbor management information system.

Students can be rewarded using the following methods:

- Learner Engagement Points
- Recognition Points
- Achievement Cards

Learner Engagement Points

Every student that attends lesson, on time, will be rewarded a learner engagement point automatically when a present mark is entered on to the register.

Achievement Points

Students are recognised and rewarded for displaying positive behaviour and strong engagement in their learning, in line with our core values of **Respect, Confidence, and Aspiration**. Achievement points are allocated using a 5-step approach and below shows examples of what achievement points can be awarded for but not limited to.

Achievement Cards

Achievement Cards are awarded to recognise exceptional pieces of work and to celebrate students who go above and beyond in demonstrating our three core values: Respect, Confidence and Aspiration.

Staff may award up to six Achievement Cards per week and will log this on Arbor. When a student receives a card, they should complete it and post it in the designated Achievement Card Box located at Student Reception.

All submitted cards are entered into a prize draw, with winners announced and celebrated during the end-of-term assembly. This system reinforces positive choices, encourages high standards, and promotes our values across the school community.

Charter Awards

The Charter Awards programme recognises and rewards students who consistently demonstrate the skills, conduct and attitudes needed for academic success and positive citizenship. Each week, students self-assess their progress against the Hyndburn Academy Charter, reflecting on their Confidence, Respect and Aspiration.

Students work towards three levels of achievement- Bronze, Silver and Gold Award. Meeting these milestones gives students access to tiered end-of-term rewards, with Bronze, Silver and Gold levels unlocking different reward pathways. Students achieving higher levels gain access to enhanced experiences and opportunities in recognition of their sustained commitment and effort.

Students who meet the Year 9 graduation criteria may apply to become KS4 student leaders, with further opportunities in Year 11 to be selected as Head Boy, Head Girl, Deputies or Ambassadors.

The Charter Awards system encourages students to take responsibility for their personal development, strengthen learning habits, and contribute positively to the wider school community while working towards meaningful rewards and recognition.

All reward systems will be kept under review to ensure that no group of students is significantly under-represented or disadvantaged by the reward criteria.

Letters of Excellence

Letters of excellence are a way of recognising the achievement of a student which goes beyond that of most students. They are awarded to students for:

- Significant achievements both inside and outside the Academy
- An outstanding piece of classwork, project work or homework
- Significant contribution or effort within a subject or over a sustained period of time.

Letters of excellence are posted home by the Academy after being awarded by a member of staff. All departments in the Academy are encouraged to send letters of excellence each half term to recognise student success.

Graduated Approach⁶

The Hyndburn Academy has a graduated response to behaviour issues, including the use of behaviour plans for children with chronic issues. Please see Appendix A.

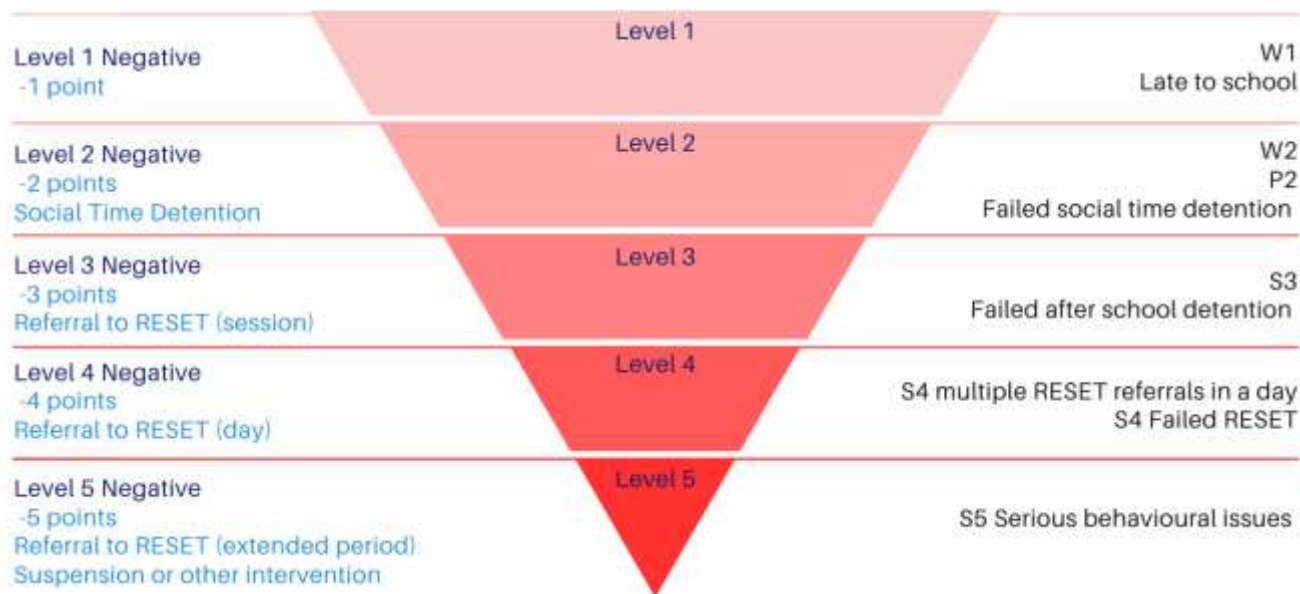

Tier 1: School and classroom-wide systems for all children and adults.

Tier 2: Specific interventions for identified groups such as those with speech, language and communication needs, literacy difficulties (both strongly co-morbid with behaviour issues), transition for those with known behavioural difficulties or those deemed vulnerable.

Tier 3: Individualised approach for a small number of children with provisions such as SENCO involvement, education psychology / speech and language therapy / occupational therapy, behaviour plans, positive handling plans.

Sanctions⁷

If a student's behaviour falls below academy expectations students will be sanctioned and students are deducted points. DfE guidelines state that: 'Teachers have statutory authority to discipline pupils whose behaviour is unacceptable, who break school rules or who fail to follow a reasonable instruction.' Behaviour points are allocated using a 5-step approach and below shows examples of what achievement points can be awarded for but not limited to.

Sanctions are set for a number of reasons which may include:

- Lateness to the Academy students arriving later than 8.35am will be marked as late and issued a social time detention. The attendance team and Heads of Year monitor lates to lesson.
- Failure of a social time detention escalates to a 30 minute detention.
- Failure of a 30-minute detention escalates to a RESET referral.
- Failure to submit preparation and practice (home learning) to the required standard/on the required date
- Consumption of food around the Academy site (incorrect areas)/chewing gum
- Failure to meet the Academy behavioural expectations during lesson/social times
- Disruption to learning.

⁶Further detail is contained at paragraphs 41-44 in the DfE Behaviour Guidance

⁷ Further detail is contained at paragraphs 45-60 in the DfE Behaviour Guidance

Report Cards, Target Cards and Behaviour Contracts

For behaviour interventions such as reports, students will be issued with report cards and may be requested to report to their form tutor, head of year, class teacher, subject leader or a member of the Academy's Leadership Team. Students may face further disciplinary action if they do not respond to targets set/discussed on their report card.

Parents/carers will be informed when their child has been issued with a report card and are involved in the whole process of managing behaviour at The Hyndburn Academy. Parents/carers are regularly kept informed by telephone, meeting, email or letter. The Academy keeps records of parental phone calls and parental meetings for monitoring purposes.

Where students' behaviour fails to improve following repeated intervention, parents/carers and students will be asked to sign an Academy behaviour contract which sets out agreed actions and targets for improvement. If students' behaviour continues to decline and students are not responsive to support put into place, they may be considered for a behaviour intervention such as offsite direction.

2.1 Disruption to Learning

To ensure a calm, focused and productive learning environment, all staff will use consistent, shared language when giving instructions. Common cues include:

- **“One Voice”** – Only the teacher should be speaking.
- **“Act Now”** – Students must be on task immediately.
- **“All Eyes”** – Students should face the speaker and give their full attention.

When a student does not follow instructions and begins to disrupt the learning of others, the following stepped approach will be used:

1. **W1 – Warning**

A clear verbal warning is issued to signal that the behaviour must stop.

2. **W2 – Second Warning**

If disruption continues, a second warning is given. This makes it clear that the behaviour is escalating.

3. **Standard / S3 – Removal to RESET**

Continued disruption after a W2 will result in a **Standard (S3)**. The student will be removed from the lesson and placed in the **RESET Room** to continue their learning under supervision.

Standards may also be issued immediately—without prior warnings—for more serious behaviour incidents, including but not limited to:

- Truancy
- Vaping
- Abusive or inappropriate language
- Any behaviour that poses a significant risk to safety or severely impacts the learning environment

This structured approach ensures that expectations are clear, consistent, and fair, supporting both staff and students in maintaining a positive learning climate.

RESET Referrals

The RESET Room is a supervised learning environment designed to remove disruption from the classroom while allowing students to continue their work in a calm and structured setting. Expectations for conduct in RESET are the same as in any classroom: students must work quietly, follow instructions, and remain in the room for the full duration of their placement.

The student arrives at Reset:

- The student signs in with the member of staff
- The student is asked to sit and complete a reset/reflection sheet.
- Once the reset/reflection sheet is completed the student will complete workbook for the core curriculum.

Timescales for RESET Referrals

The length of time a student spends in RESET depends on when they are referred:

- Referral during Period 1 or Period 2:
The student will remain in RESET for the rest of the morning, including breaktime.
- Referral during Period 3 or Period 4:
The student will remain in RESET for the rest of the afternoon, including lunchtime.
- Referral during Period 5:
The student will complete the remainder of the day in RESET plus a 30-minute after-school session.

Multiple RESET Referrals

- If a student receives two RESET referrals in one day, this will automatically escalate to a full day in RESET the following school day, plus a 30-minute after-school session.

Failure to Meet RESET Expectations

Students must meet conduct expectations while in the RESET Room. Failure to do so, including, but not limited to: Poor conduct, refusal to work, not following staff instructions, leaving the room during social times, disruptive behaviour within RESET will result in an escalation to level 5, in line with the school's behaviour escalation framework.

2.2 Detentions³

The Hyndburn Academy will issue students with detention as appropriate. With regards to detention, Academy staff have a specific legal power to impose detention outside Academy hours; Section 92 Education and Inspections Act 2006 gives schools legal authority to detain students without parental consent.

The Education Act was amended in 2011 to allow secondary schools to keep students in detention without notice. This power came into effect in January 2012. Parents and carers can now track students' behaviour and detentions on the Arbor App. Academy staff have the autonomy to issue detentions to any child if their behaviour does not meet Academy behaviour expectations.

Detentions are issued on the same day without prior notice to students however staff must consider:

- the welfare of the child
- whether the child has caring responsibilities

The permitted times for detentions are:

- social times
- any school day when the student does not have permission to be absent
- teacher training days.

All Academy staff may give detentions. Any lunchtime detention will allow a reasonable time for the child to eat, drink and use the toilet.

³ Further detail is contained at paragraphs 32-33 in the DfE Behaviour Guidance

2.3 Academy Payback

If students are placed on Academy Payback, students will be informed of this during form time and will complete the consequence at break or/and lunchtime.

The Academy will make **reasonable adjustments** for the thresholds outlined above for accumulating behaviour points as we recognise students' needs are very different and may be due to an underlying or diagnosed special educational need/disability relating to learning, communication, interaction or social, emotional and health needs. In these cases, the Academy's SENCO and inclusion team will be involved throughout in trying to ensure the students' needs are being met whilst still adhering to the high standards the school sets. This process of reasonable adjustment is 'fluid' and will be ever-changing depending on the level of student need and in collaboration with all relevant stakeholders.

In any whole-school based behaviour system it is important for all stakeholders to recognise the importance of making **reasonable adjustments** for students who may be unable to comply with the rules and expectations set out above for very legitimate reasons.

The Academy would seek to make reasonable adjustments for students who have a clear, diagnosed and underlying special educational need/disability as well as students who have identified additional needs, which require SEND/pastoral support, which makes reaching the expected standard of behaviour consistently challenging.

The Academy also has an individualised approach for a small number of children with provisions such as SENCO involvement, education psychology / speech and language therapy / occupational therapy, behaviour plans, positive handling plans.

Specific interventions for identified groups of students is also a priority at the Academy, for example groups such as those with speech, language and communication needs, literacy difficulties (both strongly co-morbid with behaviour issues), transition for those with known behavioural difficulties or those deemed vulnerable.

For those identified students a number of strategies may be employed to try and ensure ongoing success at the Academy (the list below is not exhaustive, but an indication of the reasonable adjustments the Academy is able to implement):

- An email can be issued by the relevant member of staff which will allow the non-teaching Pastoral Staff an opportunity to escort the student from the lesson and to the inclusion base at the school, preventing the need to attend Reset/ isolation room.
- When a referral to Reset is made, the named student would report straight to the inclusion base and complete work under the care and guidance of inclusion-trained staff. Parents and carers would then be informed by the staff in the inclusion team.
- A decision as to when the student would return to mainstream lessons after a period in inclusion would be made at the end of the Academy Day and not after 24 hours as per the main academy policy. All relevant stakeholders would be involved in this decision (parent/carers, inclusion staff, form tutor, Head of Year and senior member of staff).

- On a needs basis, and at the discretion of inclusion-trained staff, small group support would be available to these students who access the inclusion base to ensure their needs are best met whilst not in mainstream lessons.
- A medical pass may be issued to ensure access is quickly gained when needed and leaving the classroom is done in a sensible and discreet manner.
- Temporary removal from the classroom by a member of staff to allow respite. This would be facilitated by a member of the inclusion team or member of the Pastoral non-teaching support staff team. Time-out cards may be issued for those students who use them appropriately.

Students who accumulate 3 fixed-term suspensions or 5 referrals to Reset in one academy term will be considered for a Behavioural Support Programme alongside other relevant and available support, this will include:

- A meeting with HOY/Assistant Headteacher to review behaviour and attitude across academic subjects.
- A meeting with Inclusion team to ascertain possible impact of a Behavioural Support Programme – this would involve a 3-week support period working on key aspects of behaviour in target-driven workshops.
- A review of the Behavioural Support Programme after 3 weeks to ascertain impact.
- Referral to the Academy pastoral support and Early Help service where help and support can be sought. This is particularly important for students who may require reasonable adjustments to be made to their provision.
- Inclusion team undertaking any relevant testing that may indicate an undiagnosed need which would lead to reasonable adjustments and additional support being offered by the Academy.
- A Governor behavioural panel meeting to review behaviour and agree future actions for the individual student.

2.4 Allegations against staff

The Academy takes its responsibilities for safeguarding extremely seriously, and that all members of the school community should be aware that any allegation of improper behaviour or unprofessional conduct made against a member of staff will be treated with the utmost seriousness and will be managed in accordance with the procedures set out in the appropriate school policies and procedures, in particular the Child Protection/ Safeguarding Policy.

2.5 Malicious accusations against staff

The Academy has the right to take disciplinary action against students who are found to have deliberately invented or made malicious accusations, whether against other students, staff or other individuals, once an investigation has been completed and presented to the Headteacher, a sanction will be decided on, in line with the behaviour framework.

2.6 Supporting students following a sanction

Following a sanction, strategies should be considered to help all students to understand how to improve their behaviour and meet the behaviour expectations of the school.

These might include:

- a targeted discussion with the student, including explaining what they did wrong,
- the impact of their actions, how they can do better in the future and what will happen if their behaviour fails to improve. This may also include advising them to apologise to the relevant person, if appropriate;
- a phone call with parents, and the Virtual School Head for looked after children;
- inquiries into the student's conduct with staff involved in teaching, supporting or supervising the student in school;
- inquiries into circumstances outside of school, including at home, conducted by the designated safeguarding lead or a deputy; or
- considering whether the support for behaviour management being provided remains appropriate.

2.7 Use of reasonable force

We suggest that the policy specifies that the school will follow the Department of Education advice

['Use of Reasonable Force - advice for school leaders, staff and governing bodies'](#).

Teachers and members of staff authorised by the Principal/Headteacher have the power to use reasonable force and the policy can provide that they may use reasonable force to prevent students from committing an offence, injuring themselves or others, to prevent damage to property and to maintain discipline. Members of staff (including non-teaching staff) may also use such reasonable force at any time off the school premises when they have lawful charge of the student elsewhere (e.g., on a school trip or other authorised out of school activity). Staff will inform the Principal/Headteacher immediately after s/he has needed to restrain a student physically.

Where the use of force, i.e. restrictive physical intervention has been used once with a particular child there is a foreseeable risk and therefore requires planning to reduce the chances of it being used again. Where restrictive physical intervention has been used once with a particular child, the school will write a positive handling plan (essentially an appendix to a behaviour plan) and share this with the parents/carers and relevant school staff. Parents should always be told when it has been necessary to use physical restraint on their child.

2.8 Prohibited items and searches

The law relating to searches

The following items are banned from the Academy premises and school visits:

- Any item that could be used with the intention of causing harm
- Alcohol / drugs
- Fireworks
- Cigarettes or any smoking paraphernalia including e-cigarettes or shisha-type device
- Stink bombs / water bombs

- Mobile phones or headphones (immediately confiscated if seen and returned to the student after the Academy Day. A second confiscation in an academic year will lead a parent/carer being asked to collect the item and a 30-minute consequence for the student. Further times of confiscation will result in parent/carer collection, a 60-minute consequence and senior team involvement/meetings).
- Electronic devices which can be heard or are visible
- Aerosols
- Bandanas, masks or anything which could be utilised to conceal identity
- Hooded sweatshirts
- Jewellery that does not follow the Academy uniform policy
- Make-up
- Nail varnish
- Chewing gum
- Fidget toys (unless a reasonable adjustment has been made)
- Any paraphernalia designed to promote racist or derogatory themes or ideals, including extremist propaganda or pornography of any kind.

Items such as the above (this is not an exhaustive list) will immediately be confiscated by a member of staff and lead to an appropriate consequence dependent on the level of severity.

Parents/carers will also be informed to ensure effective lines of communication are maintained.

2.9 The law relating to searches

The Hyndburn Academy has the statutory power to undertake a search of a student or their possessions (without their consent) if there are reasonable grounds to believe that the student may be carrying a dangerous or banned substance or object e.g. a weapon or illegal drug, or any other item on the prohibited items list above which might pose a serious risk to the safety of that student and/or others. The specific items which can be searched for without consent are specified on page 11 of the DFE's **Behaviour and Discipline in Schools Guidance**, with more detailed information provided in **Screening, Searching and Confiscation – advice for Headteacher's, staff and governing bodies**.

Only the Headteacher or a member of academy staff officially authorised by the Headteacher can undertake the search of a student, and there must be a witness (also a staff member). The person carrying out the search should be the same sex as the student being searched, as, ideally should be the witness.

There is a limited exception to this rule (where a search can be carried out on a student of the opposite sex and / or without a witness) only where the Headteacher or designated member of staff reasonably believes there is a risk that serious harm will be caused to the person if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.

Any searches of a student's own person or of their possessions will be carried out with due consideration for the student's personal dignity, health and safety, the Academy Safeguarding policy, United Learning staff-student relations guidance, and the Academy own Equal Opportunities policy.

Any such search must always be viewed as a last resort, when other methods of investigation and communication have failed and only if absolutely necessary, such as in extreme situations where leaving a student with such a suspected item could pose risks to others (or to that student). It is hoped that in the great majority of instances, there will be no need for a search to be carried out. Any staff authorised to carry out searches must have had sufficient training to enable them to carry out their responsibilities.

There may be rare instances where a child with a specific SEND diagnosis requires a different approach. For example, the Academy may refrain from searching, unless in an emergency, if a child is tactile defensive or has a sensory sensitivity, which means that a search may significantly escalate a situation. In such circumstance, the Academy would deal with the situation in a different way, bespoke to the needs of the child to ensure all remained safe.

3 Searches without Consent

Students may be searched for the following items without their consent and without the consent of their parents/carers:

- knives or weapons
- alcohol
- illegal drugs
- stolen items
- tobacco and cigarette papers
- fireworks
- pornographic images
- any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - i) to commit an offence,
 - ii) to cause personal injury to, or damage to the property of, any person (including the student).

Members of staff at the Academy can use such force as is reasonable given the circumstances when conducting a search for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, vapes, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm.

Such force **cannot** be used to search for items that are not on the list above. However physical resistance by a student to a search for those latter items can itself be subject to behavioural consequences.

Before a member of staff carries out a search without consent, the member of staff must reasonably suspect that the student has the prohibited item in his/her possession. Only staff members authorised by the Headteacher may carry out searches without consent.

Where an item prohibited in the behaviour policy is seized as the result of a search and it is an electronic device such as a mobile phone, the member of staff who seized the item may inspect the data on it, if he/she thinks that there is a good reason to do so.

For this purpose, the member of staff has a good reason if he/she reasonably suspects that the data or file on the device in question has been or could be used to cause harm, to disrupt teaching or break the Academy rules.

The Academy also reserves the right to inspect data on any electronic device which is confiscated by a member of staff. The Academy is entitled to retain the device if it contains material which has been or could be used to cause harm to disrupt teaching or break the Academy rules. Academy staff can seize any prohibited item found as a result of a search and can also seize any item, however found, which they consider harmful or detrimental to academy discipline.

When deciding what to do with a prohibited item, the Academy will act in line with statutory guidance issued by the Department for Education.

4 Searches with consent

The Academy may search students with their consent for any item. A student's possessions can only be searched in the presence of the student and another member of staff, except where there is a risk that **serious harm** will be caused to a person if the search is not conducted immediately and where it is **not reasonably practicable** to summon another member of staff.

5 Extent of search

The person conducting the search may not require the student to remove any clothing other than outer clothing. 'Outer clothing' means clothing that is not worn next to the skin or immediately over a garment that is being worn as underwear, but 'outer clothing' includes hats; shoes; boots; gloves and scarves. 'Possessions' means any goods over which the student has or appears to have control – this includes bags, lockers and desks. Any formal complaints about searches should be made in accordance with the Academy's latest complaints policy.

6 Confiscation of articles

Academy staff have the power to confiscate property from students under their general right to discipline contained in s91 of the Education and Inspections Act 2006.

7 Disposal or retention of articles confiscated from students

The Academy will follow the Department for Education guidance 'Screening Searching and Confiscation – advice for Headteachers, staff and governing bodies' (<https://www.gov.uk/government/publications/searching-screening-and-confiscation>) in deciding what to do with confiscated items.

Drugs

The Academy operates a **zero-tolerance policy** on drugs for the health and safety of all staff, students and visitors. The Academy policy on drugs applies to all academy and academy-related activities whether on or off site. This includes the journey to and from the Academy. The word 'drugs' used in this policy does not just mean illegal drugs. It extends to alcohol, tobacco products, volatile substances and legal highs. Over the counter and prescription medicines are dealt with in line with our supporting pupils with medical needs policy.

The Academy will take into account guidance issued by the Department for Education. The Academy will monitor and deal with any drugs issues promptly and be proactive in trying to prevent any future drugs incidents. Students will receive drugs education as part of the PSHE programme and the Academy will also involve outside agencies such as drugs education charities. Any incidents will be reported to the governors and United Learning Regional Director for their consideration.

Any student found to be involved in a drugs-related incident will be disciplined in accordance with the Academy behaviour policy. The consequence is likely to include permanent or fixed term suspension from the Academy.

Dealing illegal drugs will, except in exceptional circumstances, lead to Permanent exclusion. Using illegal drugs will, except in exceptional circumstances, lead to suspension which may be permanent.

This distinction between dealing and using is particularly important (using is for that student's use only found with the illegal drugs, dealing is classed as the intention to supply others with illegal drugs both for profit and non-profit purposes). Sometimes, it will also be necessary to involve the police.

The Academy will discuss this and take advice as necessary.

8 Confiscation of drugs

Any drugs found will be confiscated by staff who will dispose of them in accordance with guidance issued by the Department for Education. Similarly, any drugs-related paraphernalia such as needles will be disposed of in a prudent manner. The Academy may carry out searches for drugs in accordance with this policy.

Usually the Academy will inform parents/carers when their child has been found to be involved with drugs, but where there are potential safeguarding issues the Academy must act in the best interests of the child which may mean a decision not to inform parents/carers. Such a decision will be taken very seriously and usually with the benefit of legal advice.

9 Suspensions and Permanent Exclusions

At The Hyndburn Academy we believe that learning is the most important reason for being at school and that every child deserves disruption-free learning. In order to support this ethos, it may be necessary to consider suspension when all other strategies have been exhausted, as a consequence of behaviour which may threaten these core principles.

1. Guidance Framework

The Academy Suspension Policy is written in line with the following areas of guidance:

- Suspensions – DfE Guidance
- United Learning Suspensions Policy
- 2010 Equalities Act
- SEND Code of Practice: 0 to 25

2. Links to other policies

This policy should be read in conjunction with 2. Policy implementation and 4.2 Behaviour expectations.

3. Principles

- 3.1 The Academy is a learning institution which aims to provide positive life chances for all of its students. We view suspension as a last resort when all other possible methods of managing student behaviour have been exhausted and all reasonable adjustments made. The decision to suspend is never taken lightly and careful consideration is taken of all the facts and the surrounding circumstances before reaching a decision to suspend. The only person able to suspend is the Headteacher or in the absence of the Headteacher, the next most senior member of staff on site.
- 3.2 We recognise the detrimental impact on both the education and well-being of students and their families. We also recognise the impact of social suspension, which can result from fixed-term or Permanent exclusion of a student and will try hard to avoid this.
- 3.3 Permanent exclusion is an extremely serious step to take and has a significant impact on the ability of a student to access education in the future. It is only used where it is unavoidable and where every possible appropriate alternative has been considered. We are committed to using alternatives to Permanent exclusion such as managed moves and alternative provision where appropriate.

- 3.4 We take account of the Equality Act and our duty not to discriminate against students for any reason.
- 3.5 We also take account of our statutory duties in relation to SEND and the reasonable adjustments the school makes to ensure all students' needs are met to the best of the Academy's ability. We aim to ensure parents and carers are kept up to date and suitably informed at all times.

4. The decision to suspend

- 4.1 The decision to suspend is made solely by the Headteacher, or the next most senior person in her absence.
- 4.2 There are five circumstances where a student may be required to leave the Academy site with the authorisation of the Headteacher/Senior Leadership Team:
- Where a decision has been made to suspend.
 - Where a student has committed a serious criminal offence outside the jurisdiction of the Academy and it is determined by the Headteacher or Senior Leadership Team that it is in the interests of the community for the student to be educated off-site while investigations take place. (This is not necessarily a suspension, although fixed term suspension may be deemed appropriate by the Headteacher in such circumstances).
 - Where, for medical reasons (such as contagion, risk to an unborn child), the presence of a student represents a serious risk to the health or safety of other students or staff. This not an suspension.
 - If a student is given permission by the Headteacher or The Senior Team to leave the premises briefly to remedy a breach of the Academy rules on appearance or uniform. This should be for no longer than is necessary to remedy the breach and is not a suspension but an authorised absence.
 - Where there is good reason to believe that a student is carrying an item which is not allowed onto the site such as an illegal substance or an offensive weapon and they refuse to be screened. In this circumstance the student can be refused entry. This is not a suspension but an unauthorised absence in the first instance, which could lead to a suspension following a full investigation.
- 4.3 The decision to suspend a student is not taken lightly and the Headteacher or Senior will:
- Ensure that a thorough investigation has been carried out
 - Consider all the evidence available to support the allegations
 - Allow and encourage the student to give their version of events (with appropriate support to do so when needed)
 - Keep a written record of the actions taken including the signed statements of witnesses
 - Be confident that the procedures detailed later in this policy have been carried out
 - Ensure SEND expert advice has been taken into account, with appropriate and reasonable adjustment made if deemed appropriate
 - Ensure that parents/carers have been kept informed throughout the process and consulted where appropriate.

4.4 The standard of proof applied when deciding to suspend is 'balance of probabilities'. The more serious the allegation, the more convincing the evidence substantiating the allegation needs to be.

4.5 Suspension will not be used as a consequence for the following:

- Minor incidents such as a failure to complete homework
- Poor academic performance
- Lateness or truancy
- Breaches of academy rules on uniform or appearance except where these are persistent or in open defiance of such rules as a punishment for the behaviour of a parent/carer.

4.6 Once the decision has been made to suspend, a student will only be sent home once contact has been made with parents/carers and where it is clear that the student will be returning to a place of safety. Work will be provided and either sent with the student or arrangements made for collection.

5. Fixed-term Suspension (Level 1: Fewer than 15 school days in any term / Level 2: 15 school days or more during term)

5.1 The decision to suspend a student for a fixed term may be taken in response to breaches of the Academy behaviour for learning policy.

5.2 Examples of behaviour that may lead to a fixed-term suspension include the following:

- Verbal abuse of staff or students
- Physical abuse of staff or students
- Indecent behaviour
- Damage to property
- Misuse of illegal drugs or other substances
- Theft
- Serious actual or threatened violence against another student or a member of staff
- Sexual abuse or assault
- Carrying and/or supplying an illegal substance
- Carrying an offensive weapon* or banned item
- Arson
- Persistent poor behaviour contrary to acceptable behaviour outlined in the school behaviour policy
- Bullying, including cyber-bullying.

*A weapon is defined as any item made or adapted for causing injury.

This is not an exhaustive list and there may be other examples of behaviour where the Headteacher or Senior Leadership Team judges that suspension is an appropriate consequence.

Where a student is suspected of carrying an offensive weapon, or misusing/carrying/supplying an illegal substance, or being part of a group involved in such activity, but the evidence is not sufficient, they will be given the benefit of the doubt on the first occasion. If there is a repeat of such concern, they will run the risk of suspension. Suspension will always be applied for the shortest time deemed possible as the Academy recognise the impact missed days has on the long-term educational progress of the student/s involved.

5.3 The Headteacher may suspend a student for one or more fixed periods which do not exceed a total of 45 school days in any one school year.

5.4 During a fixed-term suspension of 5 or fewer days, work will be set by the Academy for the student to complete at home. This work should be returned completed at the end of the suspension for marking.

5.5 For a suspension of longer than 5 days, the Academy will arrange full-time alternative educational provision from the sixth day of suspension.

5.6 Before the end of any fixed-term suspension, parents/carers will be invited to attend a reintegration meeting at the Academy with their son/daughter. The purpose of the meeting is to ensure that the student understands the reason for the suspension and is committed to preventing the behaviour that led to the suspension from being repeated. The Academy will consider all further support if needed to help the student, including referral to the behavioural/pastoral support team within the Academy for a behaviour support programme / positive intervention or to external agencies if appropriate.

5.7 During the first five days of any suspension, the parents of an suspended student must ensure that they are not present in a public place during normal school hours without reasonable justification, whether with or without a parent/carer. Failure to comply with this is an offence for which a fixed penalty notice can be issued.

5.8 Repeated use of fixed-term suspension for children with an EHCP (and potentially those on SEN Support, especially those undergoing statutory assessment and likely to get an EHCP), could be considered ineffective or failing to meet a child's needs. The Academy will ensure the SENCO is involved as part of a behaviour intervention and planning process to elicit different approaches to improving the child's behaviour. This may involve advice from colleagues and specialists such as an educational psychologist, speech and language therapist etc.

6. Permanent Exclusion (Level 3 Suspension)

6.1 Permanent exclusion is an extremely rare consequence at the Academy and always avoided wherever possible. The decision to permanently suspend is taken only:

- (a) In response to serious breaches to the Academy behaviour for learning policy
- (b) If allowing the student to remain would seriously harm the education or welfare of that student or others at the Academy.

6.2 A student may be permanently excluded where there have been repeated breaches of the behaviour for learning policy for which a range of consequences and strategies have been applied without success. It is an acknowledgement that the Academy have exhausted all available strategies for dealing with the student and is a last resort.

6.3 There may be exceptional circumstances where, in the judgement of the Headteacher, it is appropriate to permanently exclude a student for a first or 'one-off' offence. These might include:

- Serious actual or threatened violence against another student or a member of staff
- Sexual abuse or assault
- Serious bullying, including cyber-bullying
- Possession of an illegal substance and/or supplying an illegal substance
- Carrying an offensive weapon.

Again, this is not an exhaustive list and there may be other examples of behaviour where the Headteacher judges that permanent exclusion is an appropriate consequence for a first or 'one off' offence.

6.4 The Academy operates a zero-tolerance approach to the carrying of offensive weapons and the carrying and supplying of illegal substances. This is communicated clearly to students in assemblies and in the Personal Development Days.

6.5 Any student who brings an offensive weapon or a banned item onto site, or who brings and/or supplies an illegal substance or banned item on site will be permanently excluded. A student found in possession of these items on site also runs the risk of Permanent exclusion.

6.6 The Headteacher will meet with the parent/s and student before reaching a decision to permanently exclude a student from the Academy.

7. Investigation

7.1 Any investigation of the incident will be carried out in accordance with DFE guidance. The student at risk of exclusion will be given the opportunity to have his/her say wherever possible.

7.2 Each case will be judged on the facts and the context taking into account:

- The degree of severity of the offence
- The likelihood of re-occurrence
- The student's previous behavioural record
- Contributory factors (e.g. recent bereavement, mental health issues, bullying, special educational needs and disabilities, harassment)
- Support provided
- The wider Behaviour Policy, SEND Policy and Equality Law obligations.

8. The Headteachers Decision

The decision to exclude will be made after a review of the evidence available (including that gathered during any investigation) and will be on the balance of probabilities – i.e. is it more probable than not that the accused acted as alleged – and in response to a serious or persistent breach of the school's behaviour policy, and where allowing the student to remain in school would seriously harm the education or welfare of the student or others in the Academy.

9. Notification

Once a decision to exclude has been made, parents will be contacted at the earliest opportunity, by telephone if possible. See section 6.8 for more information.

10. Governors' Behaviour Committee and the Appeal Process

10.1 The Academy have a Local Governing Body (LGB) which has responsibility for reviewing decisions in relation to exclusion. The Behaviour Committee consists of at least 3 members of the LGB, all of whom should be involved in reviewing Level 2 suspensions and 3 exclusions. For Level 1 suspensions the Behaviour Committee need not meet in person and decisions can be delegated to one member of the Committee.

10.2 The Behaviour Committee of the Governing Body will automatically review any suspension which results in a student being suspended for more than 15 school days in any term, or any permanent exclusion.

10.3 The Behaviour Committee will automatically review all fixed-term suspensions of children with EHCPs where this is the second or subsequent suspension for that child during their time in the school(not just in a given academic year).

10.4 Parents/carers have the right to appeal the decision to suspend their son/daughter. This process is common across United Learning and is different for different levels of suspension.

10.5 Full details of how these meetings operate can be found in the following appendices and also within the DFE Guidance (2012) and the United Learning Suspension Policy – Academy (2018) but the summary is contained below.

Level 1 suspension (less than 15 days)

A parent / carer may request that the Behaviour Committee review the process within 50 school days of receiving notice of the suspension. The request should be made in writing and should set out the question(s) which they wish the Behaviour Committee to consider. The committee will respond in writing within 15 school days.

The Committee will automatically review all fixed –term suspensions of children with EHCPs where this is the second or subsequent suspension for that child during their time in the school (not just in a given academic year).

Level 2 suspension (more than 15 days fixed term or where the suspension would result in a student missing a public examination or national curriculum test)

Headteacher meets with parents to discuss suspension. Behaviour Committee meets to review the suspension within 15 days of receiving notice of the suspension.

Level 3 exclusion (permanent)

The investigating officer presents their findings to the Headteacher in regard to the alleged incident that has taken place. The Headteacher meets with parents/carers to discuss having completed the process fully and having consulted with others including the SEND expert if appropriate. If the decision is made to permanently exclude the student, parents/carers will be informed by the Headteacher both verbally and in writing. Following the Headteacher's decision to permanently exclude, the Behaviour Committee meets to review the decision within 15 school days of receiving notice of the suspension.

10.6 If the Behaviour Committee upholds the Headteacher's decision to permanently exclude, parents/carers may appeal to an Independent Review Panel. In addition, the Headteacher must consult with the Regional Director of United Learning and the Chair of the LGB (or his/her nominated Deputy as delegated) before the decision is implemented.

10.7 An Independent Review Panel will consist of 3 people and will be chaired by a lay member and two independent members, one with governance experience, the other with headship experience. This panel will decide whether to uphold the decision to exclude a student.

10.8 The Independent Review Panel can either uphold the decision to exclude the student or recommend that the Academy reconsiders the matter. They cannot, however, direct the reinstatement of the student.

10.9 Parents/carers have a legal right to bring an Equality Act claim for discrimination to the First Tier Tribunal (for disability discrimination) or to the County Court (for other forms of discrimination).

11. Informing parents / carers

11.1 Following any decision to suspend, the Headteacher must inform parents/carers, putting the decision to suspend in writing and stating the date the suspension takes effect.

The letter must also explain:

- The circumstances leading up to the decision to suspend
- Why the Headteacher decided to suspend the student
- If relevant, what steps were taken to try and avoid the suspension, details of any relevant previous warnings, fixed period suspensions or other disciplinary measures taken before the present incident
- the arrangements for enabling the student to continue his/her education including setting and marking the student's work

- the parent's right to see and have a copy of their child's record
- the parent's responsibilities to ensure their child is not in a public place in school hours during the first five days of an suspension
- if the suspension is for a fixed period, the length of the suspension and the date and the time the student should return to the Academy
- the arrangements for a parent interview at the end of the suspension to discuss the process of reintegration
- for Level 2 suspensions and Level 3 exclusions, the parent's right to appeal to the Independent Appeals Panel and the appropriate timescales and mechanism for that to happen as well as the fact that the governors will meet to review the decision
- for Level 1 suspensions, that if parents are concerned about the way in which the suspension was managed, they may write to the Behaviour Committee to ask it to review the process. This may be done by just one member of the Committee. The Committee cannot overturn the decision to suspend but may put a note on file.

12. Behaviour outside the Academy gates

12.1 Our suspension and behaviour policy covers behaviour not only within the Academy but outside the Academy. We will consequence students, up to and including Permanent Exclusion, for any behaviour which contravenes our policies when a student is:

- taking part in any academy-organised or academy-related activity
- travelling to or from the Academy
- wearing our academy uniform, or in some other way identifiable as a Hyndburn Academy student
- or for behaviour which at any time:
 1. could have repercussions for the running of the Academy, or
 2. poses a threat to another student or member of the public, or
 3. could adversely affect the reputation of the Academy.

12.2 Even where the conditions above do not apply, the behaviour policy can extend to any misbehaviour which could have repercussions for the orderly running of the academy, pose a threat to another student, or member of the public or could adversely affect the reputation of the Academy.

End of Policy

Appendix A - Individual Reasonable Adjustment to the Behaviour Policy

This guidance is based on the Equality Act (2010), Children and Families Act (2014) and the DfE Behaviour in schools Advice (2022).

Rationale The Hyndburn Academy is fully inclusive and recognises that additional needs, in some cases are classified as a disability. We want all students to have the best possible chance to reach their potential in our School. To ensure discrimination does not take place, specific policies and practice may need to be adjusted. Every student with an additional need/s is unique, therefore a personalised approach is required to understand whether adjustments are necessary and the impact of support. To determine if adjustments are required for the Behaviour Policy, the Graduated Approach from the DfE Code of Practice is implemented, this follows the 'Asses, Plan, Do, Review' cycle.

Example of the Graduated Approach to adjustments

Stage 1 – Meeting with parents/carers, the student, Head of Year and the SENDCo to assess the need for adjustments, the nature of any adjustments and strategies to support the behaviour of the student, both in and outside of lessons. Triggers and barriers to learning will be discussed, which may result in further Intervention being put in place. The Senior Leader for Culture and Behaviour may be in attendance.

Stage 2 – If adjustments and specific learning strategies are agreed, the SENDCo and Head of Year will create a specific Learning Plan for the student. This document communicates to all their teachers and support staff the key strategies that need to be implemented for the student to have every chance of success in the classroom, as well as any adjustments to the Behaviour Policy (examples are given in the table below). This plan will also be uploaded onto the student's electronic file, so all staff can identify the strategies and adjustments to the Behaviour Policy. If deemed necessary, the SENDCo and Head of Year may meet with all teachers to further outline the strategies and adjustments.

Stage 3 – If deemed necessary, further external specialist advice may be sought to assess a student's need/s and further appropriate strategies and adjustments may be recommended. Examples of specialist advice can include: an Educational Psychologist, Speech and Language Therapist, Autism outreach worker, Behaviour specialist. This may occur if the student is not already involved with these professionals.

Stage 4 - A regular review period will be set to evaluate the impact of support and the adjustments to the Behaviour Policy. This will range from 6- 12 weeks, dependent on the student. All stakeholders are invited to this meeting. If amendments are agreed, this will be updated in the Student's Learning Plan and shared with key staff.

Examples of specific supportive learning strategies	Examples of adjustments to the Behaviour Policy
Increased use of praise	Pre-warning given
Access to Respite	Shorter length for homework detention (45 minutes rather than 60 minutes)
Attendance to homework club	Access to keyworker support in the Reflection room, when required
Seating plan adjustment	Time out card in the reflection room
Short and repeated instructions	Shorter time spent in the reflection room
Use of a visual checklist on student expectations	Higher frequency of failed homework's to be set a detention (2x rather than 1x)
Private notification of warnings, including post it notes on desks	Reflection room time does not roll over to the following day
	Access to a laptop in the reflection room
Chunked tasks	Restorative discussion with the teacher to take place immediately, rather than the end of the day

Please note the above are examples; strategies and adjustments will be arranged on a personalised basis dependent on need.

If a student is in receipt of an Educational, Health Care Plan (EHCP), the learning strategies and adjustments will be written into the Plan at the next Annual Review meeting.
