School Uniform, Equipment and Mobile Phone Standards

Dear Parents and Carers

As part of our ongoing commitment to high standards and a positive learning environment, we would like to take this opportunity to remind all families of the importance of students attending school in the correct uniform, equipped for learning, and following our expectations regarding mobile phone use.

Starting Monday 16th June, we will be focusing on uniform and appearance. This includes checking that students are dressed in line with our expectations, as outlined in our *Pride in Appearance* booklet. A copy of the booklet has been provided with this letter and has also been emailed to you on this weeks weekly update. We kindly ask for your support in ensuring that your child arrives at school each day wearing the correct uniform and is fully equipped with the items they need to be successful in their learning.

Uniform is more than just clothing, it helps our students develop a strong sense of identity, pride, and equality. It ensures that all students are clearly identified as part of our school community, which enhances safety and promotes inclusion. By dressing to a high standard, we support values of unity, mutual respect, and personal responsibility. These standards also help prepare students for professional expectations beyond school.

Here is a short summary of the 'Pride in Presentation' Booklet:

- Blazers must be worn at all times (the jumper is optional but not a substitute).
- Shirts must be tucked in, and ties worn properly.
- Skirts should be knee-length and not rolled up; trousers must be tailored- leggings and flared trousers are not permitted.
- School shoes must be formal black shoes; trainers or trainer-style shoes are not allowed.
- PE kits must follow the Academy's uniform policy.
- Make-up, nail extensions, false lashes are not permitted
- Jewellery is limited to one pair of stud earrings and a wristwatch. No other piercings are permitted and must be removed.

We also wish to remind families of our mobile phone policy. To support focused learning and minimise distractions, mobile phones are not permitted to be used during the school day. They must be switched off and stored in bags throughout the day.

Should a student be seen using a mobile phone during the school day:

- First offence: The phone will be confiscated and returned at the end of the day.
- Second offence: The phone will be confiscated and must be collected by a parent/carer from reception.
- Third offence: The student will be banned from bringing a phone to school.

Miss N Palmer: Head Teacher

Students must not be contacted directly by parents/carers via mobile phone during the school day. If a message needs to be passed to your child during the school day, you should telephone reception. Similarly, students should not contact home using their mobile phone they should speak to their Head of Year who will contact home on their behalf.

We kindly ask for your full support in reinforcing these standards. If you are experiencing financial difficulty or require support with uniform or equipment, please do not hesitate to contact your child's Head of Year. We are committed to working in partnership with families to ensure that every student is equipped for success.

Working together, we can continue to uphold the high standards that make The Hyndburn Academy a place where all students can succeed and take pride in their learning environment.

Thank you for your continued support.

Yours sincerely

WELCOME

At The Hyndburn Academy, we believe that wearing a school uniform plays a vital role in creating a positive and cohesive learning environment. One key benefit is that it ensures all students are easily identified as part of our school community. This not only enhances safety both in school and when out in the community—but also reduces the risk of students being mistakenly associated with other schools or groups.

Uniform also promotes a sense of equality and belonging. When everyone wears the same attire, it encourages inclusion and mutual respect, helping students to form friendships and build positive relationships based on who they are, rather than what they wear. It reinforces the values of unity and pride, fostering a strong school identity where all students can thrive together.

This handbook outlines our uniform and appearance expectations clearly, ensuring that all students present themselves in a way that supports a positive and focused learning environment. By working together to maintain these standards, we help all students develop a sense of responsibility, pride, and readiness for the world beyond school.

Thank you for your continued support in upholding our uniform and appearance policies.
