Principal Update

Dear Parents/Carers

As we reach the end of another busy and successful half term, I would like to take this opportunity to thank all students, staff, parents and carers for your continued support and commitment to our school community.

This half term, we welcomed an Ofsted inspection team into school. We are grateful for the positive manner in which our students conducted themselves throughout the visit and for the support shown by families and staff. The outcome of the inspection will be shared in the published report in due course.

I would also like to commend our Year 11 students for their excellent conduct and mature attitude during their GCSE examinations and revision sessions. Their determination, resilience and focus have been extremely pleasing to see, and we are very proud of the way they have approached this important period.

Students in Years 7–10 have been provided with revision guides and assessment timetables in preparation for their end-of-year assessments. These can also be viewed on the school website here:

As a reminder, school re-opens on Monday 1st June, our breakfast club will open from 8.00am. All students should arrive by 8.30am to ensure they are ready to begin Period 1 promptly at 8.35am.

We hope that all families enjoy a restful and enjoyable half term break.

Thank you once again for your continued support.

Yours sincerely
