Principal Update

Parents and Carers,

I would like to take this opportunity to thank you for the fantastic start to the new academic year. It has been a pleasure to see our students arrive each day ready to learn, well prepared, and committed to being successful in their lessons. The positive attitudes, excellent conduct, and strong engagement shown throughout the week has been wonderful to see.

We have also ended the week with an excellent 95% attendance rate, which is a fantastic achievement and reflects the strong start our students have made. A special congratulations goes to Year 7, who have made a brilliant start to secondary school and currently have the highest attendance of all the year groups. Thank you to all our students and families for your commitment to excellent attendance and punctuality, which are key to success in school.

Next week, students will receive their school planners along with a coloured wallet, both of which should be brought to school each day. These will be important tools in supporting organisation, communication, and learning throughout the year.

Your child may also have received a Golden Ticket in recognition of excellent work in the classroom or positive conduct around the school. Students will have the opportunity to place their Golden Ticket into either the weekly, termly, or end-of-year prize draw. Each draw gives students the chance to win a range of exciting prizes.

We will also be following a similar process with our Weekly 100% Attendance Draws, rewarding students who demonstrate excellent attendance and commitment to their learning. These initiatives are designed to recognise and celebrate the positive contributions, effort, and achievements of our students throughout the year.

We are also excited to launch our enrichment programme this half term. Students will have the opportunity to attend an Enrichment Freshers' Fair in the coming weeks, where they can explore the wide range of clubs, activities, and opportunities available to them. We will also be sharing the enrichment calendar with parents and students so that everyone can see the excellent enrichment opportunities available this year.

Thank you once again for your continued support. We look forward to building on this excellent start and celebrating even more success in the weeks ahead.

Yours sincerely,

Mr U Wazir
Principal
