Year 9 Parents' and Options Evening

Dear Parent/Carer

We would like to invite you and your child to our Year 9 Parents' and Options Evening on Monday 2nd February from 5:00pm to 7:00pm.

The parents' evening will take place in the Sports Hall. An options presentation will be held in the Assembly Hall at 5:00pm and repeated at 6:00pm. Parents/Carers only need to attend one of these presentations. If you choose to attend the 6:00pm presentation, you are welcome to visit subject teachers either before or after the presentation.

This evening is an important opportunity to meet your child's subject teachers and discuss their progress and attitude to learning, as they approach the end of Key Stage 3. You will also be able to talk about how we can work together to support their continued development and success.

As your child begins to consider their guided options for Key Stage 4, this evening will also provide valuable insight into their strengths and interests across different subjects. Teachers will be able to offer advice on the suitability of subjects for GCSE study and answer any questions you may have about next steps in the options process.

Please let us know which presentation you will be attending by using the following link: [Year 9 Options Evening Presentation – Fill in form](#). Please note there is no requirement to book appointments for the parents evening.

We strongly encourage all parents and carers to attend, as these discussions play a vital role in helping your child make informed choices for the next stage of their education and in maintaining a strong home-school partnership.

If you have any questions or require any assistance, please do not hesitate to contact us.

We look forward to seeing you on the evening.

Yours sincerely,

Mr Searle
Vice Principal

Principal: Mr U Wazir
