Year 11 Parents' Evening

Dear Parent/Carer,

We would like to invite you and your child to our Year 11 Parents' Evening on Monday 8th December from 5pm to 7pm. The event will take place in the Sports Hall; please enter via the side gates next to our field.

The evening will provide a crucial opportunity to discuss your child's progress in their GCSE subjects following the latest mock examination series. Subject teachers will be available to review your child's performance, discuss strengths and areas for progress, as well as offering advice on how best to support them as they move into preparing for the final round of mock exams (March 2026) and GCSE exams in Summer 2026.

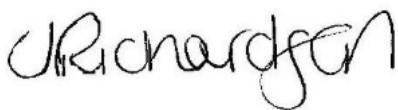

During the evening, you will also receive your child's mock examination report which includes their predicted grades based on current performance and teacher assessment. In addition, the Exams Officer and Careers' Lead will be available to discuss any queries or answer any questions regarding next steps for your child.

There is no requirement to book appointments with subject teachers as this will be a drop-in evening. We strongly encourage all parents and carers to attend, as these discussions are vital in helping your child achieve their full potential.

If you have any questions or require assistance any assistance. Please do not hesitate to contact us.

We look forward to seeing you on the evening.

Yours sincerely,

Miss J Richardson
Director of Key Stage 4 Progress

Miss N Palmer: Head Teacher
